

# Georgia Pesticide Waste Clean Day

## Event 2016

The Georgia Department of Agriculture is proud to announce it has secured limited funding for a one day Georgia Clean Day Pesticide Waste Collection Day. The event will be held in **Laurens County at the Southern Pine Ag Expo, 575 Southern Pines Rd., Dublin, Ga. 31021 on June 29, 2016, from 9:00am to 3:00pm.** Georgia Clean Day is a program that gives everyone an opportunity to discard old, unusable, or cancelled pesticides to a hazardous waste contractor for disposal. Pesticides in leaking containers or disposed of improperly may cause environmental damage by contaminating water supplies or harming people and wildlife. Some pesticides that have been used in the past are now in need of proper disposal. Participation in the Clean Day Program remains free of charge to all private and commercial applicators with the understanding that the event is designed / intended for farmers, lawn care, golf courses, and pest control companies. The Georgia Department of Agriculture will be requiring pre-registration for the event. For more information about the event, please contact **Laurens County Extension Office at 478-272-2277**, visit our website: <http://agr.georgia.gov/georgia-clean-day.aspx> or contact Rick Hayes coordinator for the event at [ricky.hayes@agr.georgia.gov](mailto:ricky.hayes@agr.georgia.gov) (Office: 404-656-4958 Ext 4113, Cell: 404-535-1614)

This is an excellent opportunity to dispose of pesticides that you have been holding because you had neither an economical nor legal means to dispose of them. Cancelled and suspended pesticides by definition cannot be used and must be disposed of, often as hazardous waste. Some reasons to participate in this program are:

1. No disposal fees for those who participate in the 2015 program.
2. The disposal contractor secures all permits and approvals.
3. Disposal contractor takes possession of the waste and thereby becomes the generator.
4. All materials eligible for destructive incineration will be destroyed.
5. Minimization of ongoing liabilities from continued storage of these wastes on your property.

All cancelled, suspended, unusable and unlabeled materials classified as pesticides may be turned in for collection. Please refer to the brief list below to determine what types of materials will or will not be accepted at the event. Please list all pesticides to be turned in on the pre-registration form in order to estimate types and volumes to be collected. Any pesticides without a brand name, trade name, or active ingredient on the label may require analysis to determine the contents. Please label all unidentifiable pesticides as "unknown" on the pre-registration form.

### ACCEPTABLE MATERIALS

Insecticides  
Growth Regulators  
Fungicides  
Harvest Aid Chemicals  
Nematicides  
Bactericides  
Herbicides  
Miscellaneous pesticides

### EXCLUDED MATERIALS

Compressed Gases  
Solvents  
Paints  
Antifreeze  
Motor Oil  
Explosive Materials  
Fertilizers or Nutrients that are neither hazardous or do not contain pesticide

- **PRE-REGISTRATION IS MANDATORY FOR PROGRAM PARTICIPATION.**
- ALL PESTICIDES BROUGHT TO THE COLLECTION SITE MUST BE LISTED ON THE PRE-REGISTRATION FORM.
- ITEMS NOT REGISTERED WILL BE REFUSED AT THE COLLECTION SITE.
- EMPTY CONTAINERS OR RINSATES WILL NOT BE ACCEPTED.
- NO COMPRESSED GASES CAN BE ACCEPTED. (METHYL BROMIDE, CHLORPICRIN, VIKANE, ETC.).

**Ag Dealers special arrangements have been made with MXI Environmental Services to accommodate you. Your pesticide waste disposal will be weighed and billed on site at approx. \$1.10 per pound.**

**Please Contact Rick Hayes for special instructions! [ricky.hayes@agr.georgia.gov](mailto:ricky.hayes@agr.georgia.gov)**
