

2019 Using Pesticides Wisely (UPW) Trainings

Date, Time	County	RSVP # (Max Attendance)	Location and Address
Jan 30, 2 pm	Tift	229-386-3416	Tifton Campus Conf. Center, 15 RDC Road, Tifton, GA 31793
Feb 18, 1 pm	Elbert	706-283-2037 (150 max)	Elbert Co. Ext. Office, 1088 Ruckersville Rd, Elberton, GA 30635
Feb 19, 8:30 am	Morgan	706-342-2214 (50 max)	Farmview Market, 2610 Eatonton Rd, Madison, GA 30650
Mar 1, 8:30 am	Terrell	229-995-2165 (300 max)	Terrell County 4-H Pavilion, 2774 Albany Hwy, Dawson, GA 39842
Mar 12, 1 pm	Burke	706-554-2119 (250 max)	Burke Co. Office Park, 715 East Sixth St., Waynesboro, GA 30830
Mar 13, 8:30 am	Early	229-723-3072 (150 max)	Early Co. Ag Center, 5188 Freeman Rd, Blakely, GA 39823
Mar 13, 8:30 am	Wheeler	912-568-7138 (100 max)	Wheeler Co. Ext Office, 16 W Forest Ave., Alamo, GA 30411
Mar 13, 1 pm	Toombs	912-526-3101 (100 max)	Vidalia Onion Research Farm, 8163 Hwy 178, Lyons, GA 30436
Mar 14, 8:30 am	Colquitt	229-616-7455 (175 max)	Colquitt Co. Ex. Office, 350 Veterans Parkway N, Moultrie, GA 31788
Mar 14, 1 pm	Grady	229-377-1312 (220 max)	Grady Co. Agri Center, 65 11 th Avenue NE, Cairo, GA 39828
Mar 15, 8:30 am	Peach	478-472-7588 (250 max)	Flint Energies, 3 South Macon Street, Reynolds, GA 31706
Mar 18, 8:30 am	Brooks	229-263-4103 (185 max)	Brooks Co. Ag Annex, 400 East Courtland Av., Quitman GA 31643
Mar 18, 1 pm	Mitchell	229-336-2066 (325 max)	Mitchell Co. Ag Center, 4590 GA Hwy 37 East, Camilla, GA 31730
Mar 20, 8:30 am	Floyd	706-295-6210 (150 max)	Thornton Recreation Center, 102 North Floyd Park Rd, Rome, GA 30165
Mar 20, 8:30 am	Bulloch	912-871-6130 (325 max)	Nessmith-Lane Conference Center, 847 Plant Dr., Statesboro, GA 30458
Mar 20, 1 pm	Screven	912-564-2064 (110 max)	Screven Co. Ext. Office, 321 Rocky Ford Rd., Sylvania GA 30467
Mar 21, 1 pm	Pierce	912-449-2034 (125 max)	Pierce County Ext. Office, 705 College Ave., Blackshear, GA 31516
Mar 22, 8:30 am	Dooly	229-268-4171 (100 max)	Marise's Restaurant, 1017 East Pine Street, Vienna, GA 31092
Mar 25, 8:30 am	Decatur	229-248-3033 (150 max)	Cloud Livestock Facility, 1300 East River Rd, Bainbridge, GA 39817
Mar 26, 8:30 am	Laurens	478-272-2277 (176 max)	The Dubose Porter Conf. Center at Oconee Fall Line Tech College, Dublin Campus, 560 Pinehill Road, Dublin, GA 31021
Mar 26, 1 pm	Washington	478-552-2011 (150 max)	Washington Co. Ag Center, 882 Grady Mertz Road, Tennille, GA 31089
Mar 27, 8:30 am	Jefferson	478-625-3046 (180 max)	Jefferson Co. Multipurpose Center, 1841 Hwy 24 W. Louisville, GA
Mar 27, 8:30 am	Lowndes	229-333-5185 (110 max)	Lowndes 4-H Camp, 6048 4-H Club Road, Lake Park GA 31636
Apr 3, 8:30 am	Bulloch	912-871-6130 (80 max)	Bulloch Co. Ag Center, 151 Langston Chapel Rd., Statesboro, GA 30458
Apr 3, 8:30 am	Early	229-723-3072 (150 max)	Early Co. Ag Center, 5188 Freeman Rd, Blakely, GA 39823
Apr 4, 8:30 am	Terrell	229-995-2165 (300 max)	Terrell County 4-H Pavilion, 2774 Albany Hwy, Dawson, GA 39842
Apr 8, 1 pm	Peach	478-862-5496 (250 max)	Flint Energies, 3 South Macon Street, Reynolds, GA 31706
Apr 11, 8:30 am	Colquitt	229-616-7455 (175 max)	Colquitt Co. Ex. Office, 350 Veterans Parkway N, Moultrie, GA 31788
Apr 16, 8:30 am	Pierce	912-449-2034 (125 max)	Pierce County Ext. Office, 705 College Ave., Blackshear, GA 31516
Apr 18, 1 pm	Tift	229-386-3328	Tifton Campus Conf. Center, 15 RDC Road, Tifton, GA 31793

RSVP and Maximum Attendance: A tremendous number of individuals must be trained prior to the 2019 crop. Therefore, everyone must RSVP at least 3 days prior to the meeting that they would like to attend. *It is possible, that in some locations, everyone may not be able to attend their ideal meeting time/location.* Max attendance is determined by the Fire Marshal.

NO MEAL: NO meal will be provided because of time constraints and the volume of people required to be trained.

Training Agenda: Using Pesticide Wisely (UPW) will last about 2 hrs and 15 minutes. Immediately afterwards, there will be a 45 minute training for those individuals wanting to obtain a 2 year certified pesticide applicators license to apply Engenia, XtendiMax or FeXapan (see next page for more details).

Who must attend UPW: Anyone applying Engenia, XtendiMax or FeXapan! Also, any person in charge of Enlist One and Enlist Duo in-crop applications must attend. (see next page for more details)

AUXIN TRAINING REQUIREMENTS: GEORGIA 2019

NOTICE! U.S. EPA-Industry mandated label changes to dicamba products Engenia, FeXapan, and XtendiMax are now effective for the 2019 growing season.

Engenia, FeXapan, XtendiMax

1. As mandated by federal labels, one must hold a private or commercial pesticide applicator license to purchase and use these restricted use herbicides. Use is limited to **ONLY** those persons holding a private or commercial applicator certification.* It is no longer permissible for non-certified applicators to apply these products under the direct supervision of the certified applicator.
2. Prior to applying these products in 2019, **ALL** applicators must be trained according to the federal labels. In Georgia, applicators must complete the 2019 Using Pesticides Wisely classroom training. If you attended this training in 2015, 2016, 2017, or 2018, you must **re-take** the training in 2019.
3. Industry applicator trainings are encouraged and beneficial; however, they **will not** fulfill Georgia's requirement for auxin training.
4. Each label requires certified applicators to document application information. Forms have been designed to help with this challenge and can be found at your local UGA Extension office, from the herbicide registrant, or at <http://www.agr.georgia.gov/24c.aspx>

Enlist Duo or Enlist One

1. All persons in charge of in-crop applications (planting through harvest) of Enlist Duo or Enlist One in Enlist cotton or soybean must complete the Using Pesticides Wisely classroom training. If you attended this training in 2015, 2016, 2017 or 2018, you must **re-take** the training in 2019.

Documentation of UPW Training

Bring your pesticide license to the training if you have one. Attendee's names will be placed on a list posted to the Georgia Department of Agriculture's auxin website at <http://www.agr.georgia.gov/24c.aspx>. Please allow up to 21 days after the training date for names to be posted. This list will serve as the official training record and will provide verification of one's attendance.

Obtaining a Pesticide License to Apply Engenia, FeXapan, XtendiMax

Option 1: For those seeking certification as a private pesticide applicator:

Initial certification to become a certified private pesticide applicator requires the completion of an interactive, online Private Applicator training program administered by University of Georgia Extension (<http://extension.uga.edu/programs-services/pesticide-safety-education/private-applicators.html>). The online training and testing requires a total time commitment of approximately 4-5 hours and a \$25 fee. Applicants **MUST** be able to read and understand a label. Application of auxin herbicides carries certain inherent risks associated with off-target movement. Anyone applying them should be well-trained, have a clear understanding of the potential for off-site damage, and be able to make complex decisions on when and where these products should be applied. Applicants and their employers should carefully consider who is capable of applying these products safely before beginning the certification process.

Option 2: For those seeking a 2-year certified applicator license to apply only Engenia, FeXapan, XtendiMax:

At the conclusion of the UPW trainings noted on the first page, UGA Extension and the Department of Agriculture will provide a 45 minute training allowing attendees to obtain a limited product private applicators license for a period of 2 years. This limited certification will fulfill the label requirements for the restricted use products Engenia, FeXapan, and Xtendimax. Upon completion of this training, attendees will be authorized to apply Engenia, FeXapan, and Xtendimax **only!** This certification will not authorize one to purchase and/or use other restricted use pesticides.

Attendees must complete a private applicator application and show a government issued I.D. to receive a private applicator license card. Please allow up to 45 days after the training date for the card to be issued. Documentation of attendance for this training will be the same as noted above for the UPW training.
