Re: 2015 Schedule of Charges for Service Seed Testing

Pursuant to Georgia Seed Rules & Regulations: 40-12-7-.01 (a), the Georgia Department of Agriculture has reviewed the 2008-2011 schedule of charges for seed testing. Since we have not modified this schedule since 2008, you will note an increase in seed testing charges due to increases in our expenses to perform the tests.

The new schedule for seed testing charges effective January 1, 2015 will be posted at <http://www.agr.georgia.gov/seed-fertilizer-feed.aspx>.

Please contact either of us at the following if you have any questions or concerns:
