

# GEORGIA DEPARTMENT OF AGRICULTURE

## Approved 2020 Georgia Hemp Processors

The Georgia Department of Agriculture has approved the following Georgia Hemp Processor permittees. This list of Permittees will be updated and serve as a resource for Georgia Hemp Growers.

Growers that intend to enter into an agreement with an approved Georgia Hemp Processor permittee must provide the name and contact information of the Permittee(s) with whom the applicant has entered into or intends to enter into an agreement pursuant to O.C.G.A. § 2-23-7 and the affidavit(s) required by O.C.G.A. § 2-23-6.

| County     | Company                                    | Address  | Phone                    | Email                      |
