

# PRODUCE SAFETY RULE

## WATER SYSTEMS WORKSHOP

**November 8, 2022**

**8:00AM - 5:00PM**

UGA Livestock Instructional Arena

2600 S Milledge Ave

Athens, GA 30605

**Registration Link:** <https://tinyurl.com/WSWUGA>

**Registration Questions:** Charlie Evans, [ece15523@uga.edu](mailto:ece15523@uga.edu)

**Workshop Description:** The Water Systems Workshop aims to promote greater understanding of water systems, water assessments, including FDA's proposed Water Builder Tool, and water distribution equipment and connections. This workshop is designed to be interactive using presentations that encourage discussions, scenario-based small group breakouts, and hands-on activities. The workshop is structured to accommodate regional considerations within the content. This workshop will ensure the attendee has the knowledge and skills to evaluate their water systems for risk factors that may affect the safety of fresh produce for human consumption.

**Target Audience:** Produce farm supervisors and managers with food safety responsibilities; Extension employees and educators; Industry association representatives; and Regulatory agency representatives

**Registration Fee:** \$25.00

**Presented By:** Georgia Department of Agriculture, University of Georgia, U.S. Food and Drug Administration, and North Carolina Department of Agriculture and Consumer Services

**Funding Statement:** This workshop is supported by the Food and Drug Administration (FDA) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award U2FFD007440 totaling \$1,693,655 & U2FFD007413 totaling \$1,675,000 with 100 percent funded by FDA/HHS. The contents are those of the authors and do not necessarily represent the official views of, nor an endorsement, by FDA/HHS, or the U.S. Government.
