

Pesticide Clean Day Event

Date & Time

May 13, 2025
9:00am – 3:00pm

Location

St Ives Country Club Fulton County
St Ives Country Club Dr (Parking Lot) Johns Creek, Ga. 30397

Georgia Dept. of Agriculture Clean Day is a program that gives everyone an opportunity to discard old, unusable, or cancelled pesticides to a hazardous waste contractor for disposal. Pesticides in leaking containers or disposed of improperly may cause environmental damage by contaminating water supplies or harming people and wildlife. Some pesticides that have been used in the past are now in need of proper disposal. Participation in the Clean Day Program remains free of charge to all private and commercial applicators with the understanding that the event is designed / intended for farmers, lawn care, golf courses, and pest control companies. The Georgia Department of Agriculture will be requiring pre-registration for the event. For more information about the event please contact your local extension agent, visit our website:

<https://agr.georgia.gov/pesticide-waste-disposal-container-recycling>

or contact Brad Baker for the event at brad.baker@agr.georgia.gov are 404-656-4958

This is an excellent opportunity to dispose of pesticides that you have been holding because you had neither an economical nor legal means to dispose of them. Canceled and suspended pesticides cannot be used and must be disposed of often as hazardous waste. Some reasons to participate in this program are:

1. No disposal fees for those who participate in the program.
2. The disposal contractor secures all permits and approvals.
3. Disposal contractor takes possession of the waste and thereby becomes the generator.
4. All materials eligible for destructive incineration will be destroyed.
5. Minimization of ongoing liabilities from continued storage of these wastes on your property.

ACCEPTABLE MATERIALS

- Insecticides
- Growth Regulators
- Fungicides
- Harvest Aid Chemicals
- Nematicides
- Bactericides
- Herbicides
- Miscellaneous pesticides

EXCLUDED MATERIALS

- Compressed Gases
- Solvents
- Paints
- Antifreeze
- Motor Oil
- Explosive Materials
- Fertilizers or Nutrients that are neither hazardous nor do not contain pesticide

All canceled, suspended, unusable and unlabeled materials classified as pesticides may be turned in for collection. Please refer to the brief list below to determine what types of materials will or will not be accepted at the event. Please list all pesticides to be turned in on the pre-registration form to estimate types and volumes to be collected. Any pesticides without a brand name, trade name, or active ingredient on the label may require analysis to determine the contents. Please label all unidentifiable pesticides as "unknown" on the pre-registration form.

- **PRE-REGISTRATION IS MANDATORY FOR PROGRAM PARTICIPATION.** Visit our website for pre-registration forms. <https://agr.georgia.gov/pesticide-waste-disposal-container-recycling>
- ALL PESTICIDES BROUGHT TO THE COLLECTION SITE MUST BE LISTED ON THE PRE-REGISTRATION FORM.
- ITEMS NOT REGISTERED WILL BE REFUSED AT THE COLLECTION SITE.
- EMPTY CONTAINERS OR RINSATES WILL NOT BE ACCEPTED.
- NO COMPRESSED GASES CAN BE ACCEPTED. (METHYL BROMIDE, CHLORPICRIN, VIKANE, ETC.).

Ag Dealers special arrangements can be made to accommodate you. Your pesticide waste disposal will be weighed and billed on site.

Please Contact Brad Baker for special instructions! brad.baker@agr.georgia.gov
