(a) Except as provided in subsection (b) of this Code section, the use of sodium pentobarbital or a derivative of it shall be the exclusive method for euthanasia of dogs and cats by animal shelters or other facilities which are operated for the collection and care of stray, neglected, abandoned, or unwanted animals. A lethal solution shall be used in the following order of preference:

- (1) Intravenous injection by hypodermic needle;
- (2) Intraperitoneal injection by hypodermic needle; or
- (3) If the dog or cat is unconscious, intracardial injection by hypodermic needle.

(b) Notwithstanding subsection (a) of this Code section, any substance which is clinically proven to be as humane as sodium pentobarbital and which has been officially recognized as such by the American Veterinary Medical Association may be used in lieu of sodium pentobarbital to perform euthanasia on dogs and cats, but succinylcholine chloride, curare, curariform mixtures, or any substance which acts as a neuromuscular blocking agent may not be used on a dog or cat in lieu of sodium pentobarbital for euthanasia purposes.

(c) In addition to the exception provided for in subsection (b) of this Code section, in cases of extraordinary circumstance where the dog or cat poses an extreme risk or danger to the veterinarian, physician, or lay person performing euthanasia, such person shall be allowed the use of any other substance or procedure that is humane to perform euthanasia on such dangerous dog or cat.

(f) Euthanasia shall be performed by a licensed veterinarian or physician or a lay person who is properly trained in the proper and humane use of a method of euthanasia. Such lay person shall perform euthanasia under supervision of a licensed veterinarian or physician. This shall not be construed so as to require that a veterinarian or physician be present at the time euthanasia is performed.

(g) No dog or cat may be left unattended between the time euthanasia procedures are first begun and the time death occurs, nor may its body be disposed of until death is confirmed by a qualified person.

(h) The supervising veterinarian or physician shall be subject to all record-keeping requirements and inspection requirements of the State Board of Pharmacy pertaining to sodium pentobarbital and other drugs authorized under subsection (b) of this Code section and may limit the quantity of possession of sodium pentobarbital and other drugs authorized to ensure compliance with the provisions of this Code section.

**(4)** The hearing officer shall, within five business days after such hearing, forward a decision to the person who impounded the animal and the government agency having custody of the animal.

**(5)** If the hearing officer finds that the animal was improperly impounded, the animal shall be returned to the owner and the cost incurred in providing reasonable care and treatment for the animal from the date of impoundment to the date of the order shall be paid by the impounding agency.

**(6)** If the hearing officer finds that the animal was lawfully impounded, the hearing officer may:

**(A)** Recommend that the government agency having custody of the animal dispose of the animal as provided in Code Section 4-11-9.6; or

**Official Code of Georgia Annotated > TITLE 4 Animals (Chs. 1 — 15) > CHAPTER 11 Animal Protection (Arts. 1 — 2) > Article 1 General Provisions (§§ 4-11-1 — 4-11-18)**

### **4-11-9.8. Recoupment of expenses of impoundment; process.**

---

- (a) Any agency impounding one or more animals as part of any investigation of a violation of Code Section 4-11-9.2, 16-12-4, or 16-12-37, or otherwise providing care for one or more animals impounded pursuant to this article, may file a petition in a court of competent jurisdiction to hear civil cases requesting the court to require the owner of the animal or animals to pay into the registry of such court funds in an amount sufficient to secure payment of all anticipated costs of impoundment and care.
- (b) Every such petition shall contain a description of the time, place, and circumstances of the impoundment, the legal authority for same, and the name and address of the owner of the animal or animals impounded.
- (c) Any sheriff, deputy sheriff, or other sworn peace officer shall personally serve written process of the petition on the owner of the animal or animals. If the officer is unable to personally serve written process of the petition on the owner of the animal or animals within 30 days of the date of filing of the petition, the officer shall within ten days thereafter post a copy of the petition on the door of the residence of the owner or in another conspicuous place at the location where the animal or animals were impounded.
- (d)
- (1) Upon the court's receipt of return of service of process of the petition on the owner, the court shall set a hearing on the petition to determine the need to care for and provide for the animal or animals pending the final disposition of the animal or animals. The hearing shall be conducted no less than ten and no more than 15 business days after the court's receipt of return of service of process of the petition on the owner. Any sheriff, deputy sheriff, or other sworn peace officer shall be authorized to serve written notice on the owner of the date, time, and location of the hearing. If no name and address for the owner are set forth in the petition, then such notice shall be posted in a conspicuous place at the location where the animal or animals were impounded.
- (2) The scope of the hearing shall be limited to whether the impounding of the animal or animals was authorized. Upon such a showing, the court shall require payment into the registry of the court of an amount sufficient to cover all costs of impoundment and care, as determined by the court, for a period beginning as of the date of impoundment and ending 30 days after the date of the order. Neither the result of a hearing provided for under this subsection nor a statement of an owner made at any such hearing shall be admissible in any criminal prosecution related to the impoundment of the animal or animals.
- (3) The owner shall be ordered to deposit an amount equal to the portion of the original deposit amount attributable to the first 30 days after the date of the initial order every 30 days thereafter until the owner relinquishes the animal or animals or until final disposition of the animal or animals. If the required funds are not deposited within five days of the original order setting the amount of the funds, or within five days after the expiration of each applicable subsequent 30 day period, then the animal or animals shall be forfeited to the petitioning agency by operation of law and may, with the consent of any prosecutor prosecuting charges against the owner regarding the owner's animal or animals, be disposed of pursuant to Code Section 4-11-9.6.

## O.C.G.A. § 4-11-9.8

- (4)** At any time before the final disposition of the animal or animals, the owner may relinquish ownership of the animal or animals. All costs of impoundment and care for the animal or animals from the date of impoundment to the date of the relinquishment shall be paid by the owner unless the owner meets the requirements set forth in paragraph (5) of this subsection.
- (5)** In circumstances where only one animal was impounded, and the owner of the animal is, at the initial hearing or at an adjustment hearing, able to prove indigency as described in Chapter 12 of Title 17, the court, in its discretion, may reduce or waive the requirement for the owner to pay costs of impoundment and care pursuant to this Code section.
- (6)** The court may correct, alter, or otherwise adjust the owner's 30 day obligation of payment upon a motion made by the owner or petitioning agency at least five days before the expiration date of the then current 30 day payment period. The hearing shall be held within ten days of service of the motion on the opposite party, and any adjustment to the 30 day payment amount shall become effective five days after the court orders, or refuses to order, an adjustment.
- (7)** Upon the payment of funds into the court registry in accordance with this Code section, the petitioning agency may immediately begin to draw from those funds for payment of the actual costs incurred by the petitioning agency in keeping and caring for the animal or animals from the date of impoundment to the date of the final disposition of the underlying criminal action regarding the owner and the animal or animals.
- (8)** Upon final disposition of the animal or animals, remaining funds deposited with the clerk of the court shall be refunded to the owner.
- (9)** In the event that an owner is adjudicated not guilty of all charges specified in a petition filed pursuant to this Code section, such owner may request from the agency that filed the petition a refund of all costs paid by the owner pursuant to such petition. In making any such claim for refund, the procedures provided in Code Section 48-5-380 shall apply.
