summary of application
questions and required
documentation.

PROOF OF LOSS DOCUMENTATION EXAMPLES DAIRY STRUCTURES

- What must I report in order to assess my loss?
 - If cows were in the structure within the 12 months prior to Hurricane Helene
 - Type of structure (Milking Barn, Dairy Barn, Nursery, Other)
 - Square footage of structure
 - Cost of repairs/replacement
- What documentation do I need to prove loss of structures?
 - Proof of insurance reimbursement
 - Repair bills
 - Reconstruction invoices
 - Demolition bills
 - Prior and post hurricane photographs

You are required to rebuild or replace the infrastructures and to initiate the repair or rebuilding of the effected infrastructures by December 31, 2027.

Failure to meet these requirements will require you to refund the money you received to the Georgia Department of Agriculture.

Documentation listed here is NOT comprehensive.

Applicants may submit additional documentation they believe will support their application.
