PROOF OF LOSS DOCUMENTATION EXAMPLES GENERAL INFRASTRUCTURE

- What must I report in order to assess my loss?
 - If the structure contained agricultural production within the 12 months prior to Hurricane Helene
 - Type of structure (High Tunnel, Hoop House, Pole Barn, Hay Barn, Grain Elevator, other)
 - Which commodity was in structure
 - Square footage damaged or destroyed
 - Cost of repairs/replacement
- How do I prove damage/destruction loss?
 - Proof of insurance reimbursement
 - Repair bills
 - Reconstruction invoices
 - Demolition bills
 - Prior and post hurricane photographs
 - Crop insurance records

You are required to rebuild or replace the infrastructures and to initiate the repair or rebuilding of the effected infrastructures by December 31, 2027.

Failure to meet these requirements will require you to refund the money you received to the Georgia Department of Agriculture.

Documentation listed here is NOT comprehensive.

Applicants may submit additional documentation they believe will support their application.
