### **INSTRUCTIONS FOR COMPLETING THE COMPANY LICENSE APPLICATION**

#### **APPLICANT INFORMATION**

This person might be the same person as the designated certified operator.

#### **COMPANY INFORMATION**

You may submit more than one company name to be considered. The Commission may reject a name, if it is likely to be confused with a previously issued name (Chapter 620-2-.01 of the Rules of the Georgia Structural Pest Control Act).

#### **LICENSE INFORMATION**

Check the appropriate box for the operational categories of structural pest control and type of license. A sub-office license is limited to any office of a licensee having only one registered employee who is under the charge of the Designated Certified Operator in the main licensed office. A Designated Certified Operator is a person who is currently certified in one or more of the Structural Pest Control categories and has been designated by a licensee as being responsible for the pest control and reporting activities of licensee in the category(ies) in which operator is certified. If you already have a Structural Pest Control Company License in another category, and would like to add another, please use the [Add a Category Form](#).

#### **FEES SUBMITTED**

Fees required are listed on the application. The research fee must be paid for each company license. Be sure the amount paid matches the total fee enclosed box and to include a check, certified check, or money order for the correct amount. Applications received without payments will be returned.

#### **INSURANCE INFORMATION**

The license will not be issued without proof of insurance. The [Insurance Form](#) must have the approved company name. An authorized representative must complete the form, and it can be mailed, emailed ([insurance@agr.georgia.gov](mailto:insurance@agr.georgia.gov)), or faxed to the Structural Pest Division Office.

#### **APPLICANT AND DESIGNATED CERTIFIED OPERATOR**

All applicable individuals must sign application. Unsigned applications will be returned.

Applications received by the 1st day of the month will be considered by the Commission at their monthly meeting.
